

Hari OM

Guruji's 5G

Associate yourself with utmost faith and devotion always with Guruji's 5G (given below) for purifying your body and mind so as to acquire spiritual awareness, devotion and knowledge towards ultimate truth, leading to liberation or Moksha. This planet earth is not a waiting Hall to kill time or for doing always worldly duties for achieving the goals of fake or essence-less impermanent or ephemeral dreams.

Guruji's 5 G:

1. God (Govinda)
2. Guru
3. Gita (The Bhagavad-Gita)
4. Gayathri Mantra and
5. Ganga (Holy waters)

Do not waste all your precious life time towards fulfilling material goals of earning, entertainment and enjoyment. Before you even get fulfilled you will be removed from this world without any advance notice given to you or your kin. Praise the Lord and purify yourself. Let us recall the important verses from Sri Adi Sankaracharya's Bhaja Govindam at this moment and understand Life:

Yaavadvittopaarjana Saktah
Staaannija Parivaaro Raktah
Pashchaajjiivati Jarjara Dehe
Vaartaam Koapi Na Prichchhati Gehe 5

Meaning: When you are active, you earn and support your family They love you and care for you But when you age, become ill and your body weakens Your family do not have time for you at all.

Yaavatpavano Nivasati Dehe
Taavatprichchhati Kushalam Gehe
Gatavati Vaayau Dehaapaaye
Bhaaryaa Bibhyati Tasminkaaye 6

Meaning: When you are young and active, you have people Family who ask about you and your health but when it is time for the soul to depart, when death rings his bell Even your wife will be repelled by your dead body.
